Depth = 41 cm (16.1")

Description

A charming pair of French bedside cabinets dating to around 1900, each topped with a unique slab of richly veined marble. The bodies are crafted from warm-toned walnut and feature a single drawer above a paneled cupboard, all raised on elegant cabriole legs. Decorative brass knobs add a refined touch, while the parquetry detail on the doors highlights the craftsmanship. A handsome and practical addition to a period bedroom or guest room.

Internal Ref: 46718
