Description

A beautiful rare antique solid silver and amber wax seal. It is hallmarked with the 800 silver standard. I would date it by the style of the initials to c1900 -1910. It has been beautifully designed with the handle being made from amber and the seal end engraved with the entwined initials GFH entwined so in any order. It is in super condition being free from dings and repairs. It measures approx. 2.25 inches (5.6cm) tall by 1 inch (2.6cm) across the seal end and weighs 18 grams. A very nice quality rare piece.
