Description

This is a near mint condition example of a solid 9ct gold gents Longines Flagship from 1965. The dial is in perfect unblemished condition, it has the flagship emblem on the back of the case which is bright and crisp. The movement is the calibre 345 fully automatic with date. The case size is 35mm diameter without the crown. The solid gold case has a full set of London hallmarks for solid 9ct gold and the date letter k indicates that it was made in 1965. As you would expect the watch is fully marked on the dial, movement and case. A new glass has been fitted. There is a choice of straps, please let us know your preference we keep most things in stock. The watch has been fully serviced and is guaranteed to be a genuine Longines in all respects its one of the best examples we have seen. This is a very nice alternative to an Omega Seamaster.
