Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Omega Seamaster from 1964 with calibre 552 fully automatic 24 jewel movement widely considered to be one of the most reliable Omega movements ever made. The model reference number is the rare 165.003 this is rarely seen in the UK. The dial is completely original and perfect, it has never been restored or retouched with faceted lozenge markers with black onyx inserts. It has the Omega symbol on the original winding crown. Even the glass is original and near perfect. It comes with its original full length Omega Beads of rice bracelet with all of the original links, the watch will fit a wrist size upto 8 inches or 20cm. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown which makes this an oversize model. The watch has been fully serviced and comes with a one year warranty. It is running and keeping time to withi...
