Description

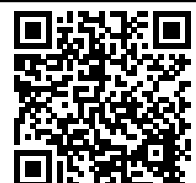

A Nice Pair of Antique Victorian Silver Wine Bottle Coasters with pierced rims adorned with clusters of grapes and curling vine leaves. The romantic vineyard motif was a popular decorative theme in late Victorian or Edwardian silverwork - an elegant nod to the art of the vineyard. Each coaster is fitted with a smoothly finished, concentric wooden base that provides a warm contrast to the polished silver – circa 1890. *Ideal for cradling wine bottles at dinner parties or on display, these felt bottomed coasters protect surfaces from condensation and scratches. Measurements: Height: 2 1/2" (approx. 6cm) Diameter of base: 5 1/8" (approx. 13cm) Diameter of top: 8" (approx. 20cm) Total weight: 715g In good condition – any dark areas are shadows from the photography.
