Description

An unusual 1920s novelty Celluloid tape measure. It is in the form of Edward VIII in the uniform of the Welsh Guards. The cloth tape measure is pulled from the rear and automatically retracts when given another sharp pull. It is in good condition for its age. The tape measure is slightly frayed in places but it works well. There is a small nick on the front under his chin but otherwise no major damages or marks and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6
