Description

A good example of an antique silver plated desk stand, dating from the late 19th / early 20th Century. It is a stylish and good quality piece with two dished pen trays, a carrying handle and four small bun feet. It comes with two square glass bottles with ground glass stoppers. It is in good condition for its age and displays well. There are no major damages, just some faint surface marks and minor dinks but nothing detrimental. The plating has worn a little in places but it still displays well. There are no major damages to the glass bottles. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
