Description

A good example of a small solid silver tray with an ornate repousse design of cherubs and a raised shaped edge, most likely used on a dressing table. It is stylish and good quality, weighing approximately 23g. It is clearly hallmarked for Birmingham, 1903 and the maker Reynolds & Westwood. It is in good condition for its age. There are some faint surface marks here and there but there are no major damages and it displays beautifully. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
