Description

Late C19th/ early C20th brass classical column table lamp of good large scale and proportions. The reeded and gently tapering architectural column mounted on a block base with cast laurel wreath decoration, the whole raised on a multi-stepped plinth with further cast bead decoration. The top of the column with a classically-inspired circular cast capital with a square block supporting the light fixture. In excellent original condition with an aged surface and patina. Has been rewired using traditional style cotton-covered 3-core twist flex, PAT tested, and ready to use. H 25" (full inc. fixture) 20" column W 7" D 7" England c.1890

Internal Ref: ML 254
