Description

A superb quality George III wine table, crafted in solid mahogany and dating to the early 19th century. The well-proportioned circular top rests over a substantial turned column with elegant ring turnings, all raised on a beautiful splayed tripod base. Exceptionally well-made — tactile, weighty, with rich, warm, mellow tones developed over more than two centuries. Very good condition, structurally all sound with only some light age related surface wear and a few characterful solid old repairs that speak to its history rather than detract from it. English, circa 1820. H: 63 W: 34.5 D: 34.5 cm
