Description

A beautiful set of 4 hand made solid sterling silver napkin rings. They are hallmarked and test as 840 grade silver, I would date them to the mid 20th century. They have been beautifully chased and are in superb condition being free from dings splits and repairs. They measure approx. 1.75 inches (4.5cm) across by almost the same tall and combined they weigh 172 grams. A super quality set.
