Description

A lovely set of 6 sterling silver apostle teaspoons. They are good quality with round bowls, twisted handles and traditional apostle figures to the tips to the handles. The total weight of silver is approximately 31g. Each spoon is fully hallmarked for Birmingham, 1901 and the makers Miller Bros. They are in good condition with clear hallmarks. There are some faint surface marks and some small dinks to the edges of some of the bowls but no major damages and they display beautifully. They have been lightly cleaned and polished and are ready for use. The set comes in a silk and velvet lined box, with fitted sections to hold each spoon. The box is in good condition and the interior is generally clean and tidy. There are a few marks and scuffs and small losses around the outside edges but overall it displays well. Approximate Measurements: Length of Spoon : 3 1/2" / 9cm Box : 5 1/2" / 14cm x 4 1/2" / 11.5cm.
