Description

A good set of 6 antique silver butter knives with sterling silver handles. They are good quality pieces with nicely shaped handles and each one is fully hallmarked for Cooper Bros, Sheffield, 1922. They are in good condition for their age although there are some light surface marks here and there, some minor dinks and dents on the handles and some wear around the edges of the blades (see photos). However there are no major damages and they display well as a set. They have been gently cleaned and polished and are ready for use. The set comes in its original fitted box with a velvet and silk interior. The box is in good condition with some light scuffs and marks around the edges but nothing detrimental. Approximate Measurements: Length of Knife : 6 1/4" / 16cm Box : 8" / 20cm x 6" / 15cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
