Description

Rare Pair of Mouseman 1930's Armchairs This is a fabulous pair of English 1930's, solid oak dining armchairs by Mouseman of Yorkshire. They are a very rare model with superb, thick original strong leather seats and featuring panelled back rests with open arms and lovely adzed surfaces. They are both in excellent clean condition, they each have the signature hand carved mouse on a front leg and they are all a wonderful, rich and original colour. We also have a matching set of six dining chairs available. The seat heights are 46cm.
