Description

This is a superb example of a totally original 19th century Vendange table. These tables were most commonly used in Vineyards and kept in the cellars. Folded up and brought out specifically for wine tasting. The stories a table like this could tell. The size of this table is what makes it so special and its shape. Its a large oval and would easily seat 10 people. The patina to the pine is wonderful and will only get better from use. The table support is beautifully shaped and keep the top sitting level. All pieces move easily and have no major faults. Great for interior or exterior (if covered) use and a sure talking point. Height 75cm Width 220cm Depth 145cm Price includes UK mainland delivery
