Description

This is a fabulous, very heavy solid oak French dining table. The top is planked and beautifully patinated from years of use. The thickness of the top is also very impressive. The planks are biscuit jointed together which is a wonderful detail showing the quality of manufacture. The base though is the real star. Two large pedestals again made from oak and elegantly carved. Overall condition very good with nice age related wear. Height 78cm Width 231cm Depth 87cm Price includes UK mainland delivery
