Description

This is a very high quality and rare pair of chairs with matching stool. What sets this apart is the stool can attach to one of the chairs with metal hooks. The fact everything is still all complete and the set still remains together is why it is a rare find. It is a perfect addition to a living room or lounge and you don't have to use the stool with the chairs as it does separate. These would require 15 metres of material (5m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
