Description

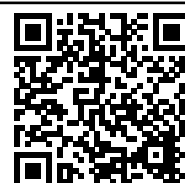

An exceptional, fine and impressive antique Georgian English sterling silver Old English Bright-cut Edge pattern soup ladle made by Hester Bateman; an addition to our silver cutlery collection. This exceptional antique Georgian sterling silver soup ladle has been crafted in the Old English Bright-cut Edge pattern. The anterior surface of the bowl is embellished with an undulating engraved border. This fine example of silver cutlery has a plain rounded bowl. The reverse of this antique silver ladle features a rounded heel to the bowl and the contemporary bright cut engraved initials 'S'. Such examples crafted by the renowned and collectable female silversmith Hester Bateman, in this high quality, are becoming increasingly difficult to locate; this ladle is the finest of its type you could hope to acquire. A Hester Bateman silver ladle is both a functional serving piece and a collectible object of enduring value. Ideal for enhancing formal dining with elegance, it makes a meaningful gift for weddings, anniversaries, or milestone occasions. Valued for its craftsmanship, provenance, and hallmarks, it also serves as a cherished heirloom. Condition This antique ladle i...
