Description

A gorgeous original antique William IV mahogany over mantle mirror. This was made in England, it dates from around the 1830-1840's. It is beautifully made, with a very thick and finely constructed frame. The mahogany has a stunning colour and wonderful grain patterns, offset nicely by the gilt wood banding. This is in excellent condition for its age, with only some extremely minor wear here and there, we have had it revived and gently re-polished.
