Description

This antique crystal glass decanter by Orfèvrerie Produx Saint Hilaire is a fine example of early 20th-century French craftsmanship. The decanter features an etched floral design, adding a touch of elegance and sophistication to the crystal glass. A highlight of this piece is the 950 silver collar, which enhances its luxurious appearance. The silver collar, which is purer than standard sterling silver, adds a refined touch and complements the intricate etched designs on the glass.
