Description

This antique French 925 sterling silver flatware set by Souche-Lapparra is a remarkable example of fine silversmithing craftsmanship, renowned for its intricate design and high-quality materials. Known as "Baron Gerard," the set features a floral, leaf, and wing motif, adding elegance and sophistication to any dining experience. Comprised of 72 pieces, this set is designed to meet a wide range of culinary needs, making it ideal for formal occasions as well as everyday use. The intricate design reflects the artistry and attention to detail for which Souche-Lapparra is known, making each piece not only a functional tool but also a work of art. Weighing 4860 grams, this imposing set showcases the use of solid sterling silver, ensuring durability and a luxurious feel. The cutlery is housed in a wooden box, providing both protection and an attractive way to showcase the set. This flatware set is a valuable addition to any collection, offering a combination of aesthetic beauty and practical utility. Its timeless design and quality craftsmanship make it a treasured heirloom to be passed down from generation to generation. Whether used for special occasions or displayed as a c...
