Price

Sold**Item Reference: SA1138448****Date of manufacture: Later than 1960**

Description

This silver horse sculpture, created by renowned London silversmiths Mappin & Webb in 1970, is a fine example of their craftsmanship and attention to detail. The piece captures the elegance and grace of a horse, making it a striking decorative piece. Measuring 11 x 15 x 3.5 cm, the sculpture is compact yet imposing enough to stand out as a focal point in any setting. Weighing 379.6 grams, it has a solid feel, indicative of its high-quality silver construction. Mappin & Webb is known for their exquisite silverwork, and this piece is no exception. The horse's detailed features and polished finish showcase the skill and artistry of the makers. This sculpture would be a perfect addition to any fine decorative arts collection or as a standalone piece to enhance a room's decor. Whether displayed on a mantelpiece, desk, or shelf, this silver horse is sure to capture attention and admiration, making it a treasured item for collectors and enthusiasts.
