Description

An early American Abstract Mixed media / Ink on woven paper of three abstract figures. American abstract artist Lester Epstein (1919 -1963) signed and dated 1953. Professionally mounted in a contemporary chrome frame with UV glass . American Artist Lester Epstein 1919-1963 Lester Epstein made an important contribution to early American Abstract expressionist & experimental Art .Painting during the late 1940s early 1950s at the very beginning of the American abstract expressionist art movement . Lester was Born in St Louis USA on the 4th Sept 1919 & later attended Washington University . He spent 4 years in the US army during WW2 serving in the pacific. In 1950 he set off for a Mexican fishing village where he lived for 9 months painting furiously creating a large number of paintings . While in Mexico he was discovered and became good friends with The British artist John Rattenbury Skeaping RA , first Husband of the Sculptor Barbara Hepworth . On the recommendation of John Skeaping , Lester Epstein received a scholarship at Royal College of Art in London England . John Skeaping described Lester as having a rare talent and deserved to be well known while is was still ...
