Description

Pair English 1930's Cotswold School Wardrobes. A beautiful quality true pair of English Cotswold School wardrobes, very well made in solid pale ash which is a very lovely colour. They are a true pair with opposing wardrobe doors, very clean inside with original metal extending clothes rails and one robe has additional hanging storage to the inside of the door. Both wardrobes have the original working locks and keys. The handles are fabulous, inset cut hand holds, flush so nothing protrudes on the robe doors, keeping the lovely clean lines. The wardrobes are finished on all sides, so can be used apart or together.
