Depth = 17 cm (6.7")

Description

A most charming and unusually decorated quality wall clock in lovely condition throughout. The 8 day movement, by HAC, Germany, a World renowned maker, has just been fully serviced by our 9th generation horologist and carries our usual 12mths full parts and labour guarantee. It strikes on the half-hour and the hour. The white, enamelled dial has black Roman numerals and a gilt centre. A grid iron compensating pendulum with A&R white bob. The mahogany case is beautifully polished, and has a warm, rich patina. It is further enhanced by expertly painted symbols throughout, marking it out from the norm. Overall height shown includes all finials. An absolutely stunning little clock. All cards accepted.
