Description

Fine Antique Brass Trivet, circa 1900 A good quality small brass trivet of rectangular form, raised on four shaped legs terminating in paw feet. The pierced lattice top is decorated with stylised flower motifs to the centre and corners, within a plain brass border. The piece has a good weight and presents well. The legs stand a little akimbo, as is often found with early examples, but the trivet sits soundly. Recently polished. Measures approximately 24 cm wide x 14 cm deep x 10 cm high.
