Date of manufacture: 17th Century

Dimensions

Height = 13.7 cm (5.4")

Width = 17.1 cm (6.7")

Depth = 17.1 cm (6.7")

Description

A very impressive example of a large bronze mortar, from the mid 17thc cast with two handles and also the fleur-de-lis six times....it really is a beautiful mortar for its size and has a very good natural colour and no cracks or damage....would look stunning on a piece of period oak furniture...made in London from an unidentified foundry. English. C1640-50. (Provenance of a private collection.)

Internal Ref: MS 8288
