Price

GBP 1,750

| USD \$2,368 | EUR 2,048

Item Reference: SA1139002

Date of manufacture: 19th Century

Description

A pair of finely carved 19th-century hardwood Foo Dogs featuring exceptional artistry and a commanding presence. Their versatile scale and rich wood tones make them ideal statement pieces for a library shelf, a hallway console, or an elegant entryway display. The sculptures are defined by their highly intricate detailing, showing masterful hand-carving throughout the majestic manes, expressive features, and traditional protective stances. Crafted from a premium, dense hardwood, each piece showcases a beautiful grain and deep surface texture that highlights the expert craftsmanship of the period. The pieces are in showroom condition. They have been beautifully polished and are ready for immediate use in the home. Dimensions: * Depth: 51 cm * Height: 28 cm * Width: 17 cm

Internal Ref: 053
