Width = 63 cm (24.8")

Depth = 56 cm (22.0")

Description

Victorian Chubb Safe on Waring Stand A truly remarkable example of a safe on a stand restored to the highest standards. We bring to you this extremely rare and excellent condition English safe on a stand. The safe is a W.H Chubb & Co antique safe made around C1885 which is sitting proudly on its stunning Waring & Sons safe base of the same period. Full description of the safe (Below this is the full description for the stand) Chubb safes have always been class leading safes and are one of the most respected and well regarded safe manufacturers in the world. The Chubb name still continues to this day and the company still makes highly secure locks and safes. This bespoke luxury safe has been re-painted inside and out using the base as an inspiration for the fully unique paintwork design and coach-lines. The safe has been fully restored from bare metal, having been stripped and finished to ensure the highest quality refurbishment possible. The safe is triple tone painted in predominately burgundy and black featuring red coach lines and embellishments. The safe has the most stunning painted rosettas and dental moulding paintwork which perfectly mimics its stunning origi...
