Description

Antique 6 Drawer Kingwood Semanier/small chest of drawers. An unusually small 6 drawer Semanier chest. This is a beautiful example of a diminutive French 20th Century Louis XVI Kingwood chest of 6 drawers believed to be made around C1920. Usually a Semanier chest of drawers has 7 drawers as the word translates roughly to a weeks supply, however, unusually this one is particularly small having just 6 drawers. This stunning chest features a solid marble top, complete with a particularly lovely brass gallery edge. The chest has quartered book-matched Kingwood sides, framed by Boxwood and Satinwood stringing to both sides and each drawer with the drawers being further enhanced being framed with Mahogany. Each drawer is beautifully constructed featuring Oak sides and dovetail construction complete with lovely brass knobs incorporating rosettas. The chest also features beautiful brass ormolu to each front top corners depicting a theatre pattern. This high quality chest has a shaped lower apron to 4 slender legs. The chest has a lovely mellow Kingwood colour with its original French polished finish. We have just cleaned and waxed this lovely chest to give a natural shine and e...
