Description

A fine example of a beautiful Victorian jewellery box. The outer of the box is a lovely walnut with ornate tunbridge style geometric inlaid borders. It also has a central diamond shaped cartouche and escutcheon with matching mother of pearl inlaid centres. The interior has its original ruched silk lining below the lid with an oval shaped mirror in the middle. It has a fitted tray which has been re-lined in blue felt and this lifts out to give further storage below. The box comes with a working key. It is in very good condition for its age and has clearly been well looked after. There are some minor signs of age and use, some light surface marks and a few old repairs but nothing detrimental and overall the piece displays beautifully. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
