Description

A beautiful example of a double ended torpedo shaped scent bottle. The smooth glass body is divided into two sections, each with a solid sterling silver top. The one end is a screw top and the other end is hinged. One end is engraved "Joe". It is clearly hallmarked for London, 1885 and the maker Thomas Johnson II. It is in very good condition for its age. There are some small marks here and there, minor dinks to the silver ends and general signs of age and use but nothing detrimental. There are no cracks or damages to the glass. It has been cleaned and gently polished and overall it displays very well. Approximate Measurements : Length : 5" / 13cm Width : 1" / 2.5cm. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
