Description

A lovely antique cut glass scent bottle with solid silver top and collar. The bottle is excellent quality with hobnail cut glass. Not only does it have a solid silver collar but it also has an ornate silver top that fits snugly over the collar and it comes with its original ground glass stopper. It is clearly hallmarked for Chester, 1906 although the maker's mark is slightly rubbed. It is in good condition for its age. The silver is in good condition with a few small dents around the bottom of the lid but no cracks or major damages to the glass, just one small chip on the end of the stopper. It has been cleaned and gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
