Sold

Item Reference: SA1139138

Date of manufacture: 1870

Description

A rare and exquisite Jasperware Stilton cheese dome and stand – possibly by Dudson – modelled in the shape of a beehive and covered with honey bees. A unique piece in beautiful condition. The dome is perfect, the base plate is perfect, it has a line in the middle, which does not go through, probably a firing that has got dirty over the years. Measures: 30 cms high x 32 cms across.
