Description

A fine and rare H R Daniel tea trio, dating to circa 1825, comprising a teacup, coffee cup, and saucer in the second gadroon shape. This exquisite set is decorated in Pattern 4058 with shaped mazarine blue borders, lemon yellow scalloped panels, and finely detailed cross-hatched gilt decoration. The central reserves are hand-painted with vibrant floral bouquets, and the outer decoration features gilt scrolls, fleur-de-lys, and floral sprigs, reflecting the ornate aesthetic of early 19th-century English porcelain. The rims and handles are highlighted in feathered gilding, with a gilt acanthus leaf thumb rest – classic Daniel refinement.
