Description

A beautiful antique Georgian period inlaid mahogany lowboy side table. This was made in England, it dates from around the 1790-1810 period. It is of wonderful quality, it is a very useful size and it is beautifully designed. There are beautiful satin wood inlays throughout, this has three useful drawers with pierced brass handles. The lower edges are beautifully shaped, this stands on finely tapered legs. We have had it re-polished to a very high standard, the condition is excellent for its age. There are just some minor marks and indentations remaining beneath the polish here and there, commensurate for age. Width – 33 inches , 84 cm Depth – 18 inches , 46 cm Height – 29 inches , 74 cm
