Description

This charming 1930s vintage countertop display cabinet was originally designed for showcasing fine jewellery and accessories in a retail environment. Crafted from light-stained wood with rich patina and warm tones, it features six shallow drawers, each hand-painted with individual labels for Watches, Cuff Links, Rings, Earrings, Tie Pins, and Chains. Each drawer has its own compartmentalised interior, some lined in red velvet, ideal for organising and presenting delicate items. We believe that the painting has been retouched over the years making it a later additional. H: 25 W: 50.5 D: 25.5 cm
