Description

An attractive Art Deco book table of cube form. Crafted in warmly toned walnut, the sizeable top is raised on vertical supports featuring fluted carved detailing uniting the two lower tiers. Clean-lined and well-proportioned, a particularly versatile and functional piece — ideal for use as a small bookcase, coffee table or lamp stand, with the compact footprint and open sides making it especially suited to tighter spaces such as reading nooks, bay windows, or beside a favourite chair. Presented in very good antique condition with an even patina and light surface wear. Structurally solid, clean, and ready to place in the home. English, circa 1920's. H: 51 W: 51 D: 51 cm
