Description

A stunning, fine and impressive Victorian 24.68 carat amethyst and 18 carat yellow gold necklace; part of our diverse antique jewellery collections. This stunning, fine and impressive amethyst necklace has been crafted in 18ct yellow gold. The antique 1830s necklace is embellished with a stunning feature claw set oval faceted cut amethyst encompassed with a volute scroll and bead decorated border. This stunning pendant incorporates a substantial articulating drop, ornamented with an impressive claw set pear faceted cut amethyst, reflecting the same border as the aforementioned setting. The nadir of the drop is embellished with an impressive claw set oval faceted green stone, completing the design; due to the enclosed setting this gemstone type could not be determined, however, with the era of the piece there is a strong probability the stone is a peridot. The impressive necklace suspends from substantial, textured 19" 18ct yellow gold chains via four ring loops to the upper setting, securing to the reverse with a substantial engraved decorated push fit catch. This amethyst antique pendant necklace has been independently tested using state of the art technology (Nito...
