Description

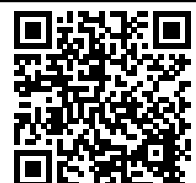

A charming 19th-century oak chest of drawers with a moulded cornice top. The chest features two short drawers over three graduated long drawers, all fitted with wooden knobs. It stands on a plinth base and has a warm colour with a well-developed patina throughout. A solid and well-proportioned piece. Item Ref; M-6034 . DIMENSIONS: Height - 97.5cm / Width - 111cm / Depth - 55.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. Surface wear is visible, including age-related marks and scratches. There is splitting to the back, staining to the top, and one of the wooden knobs is missing. The drawers run smoothly, and the piece remains structurally sound and full of character. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is ready to be seamlessly incorporated into your home. To provide you with a comprehensive understanding of the item's condition, we kindly request that you take a moment to thoroughly review all the accompanying photos.
