## Description

Royal House Antiques is delighted to offer for sale this super rare suite of Twelve original 1740-1760 dated hand water coloured prints after George Edwards 1694-1773 depicting Ornithological Birds, Butterflies and flowers in the period Decoupage frames. If you are looking at this listing then the chances are you know exactly what these are, I'll include a short Bio below, there are different values to these sets and this is suite is at the very highest end as it has not just the basic birds but some of the most colourful examples I have seen, it also have birds mixed with butterflies in four of the examples which is super rare. The condition is period perfect, you can see the plate mark impressions around the borders, some of the prints are detailed and dated with what they are, all the information has been pictured for you. These prints totally define a space, I can't explain just how magical they are in real life. Dimensions Height:- 41.5cm Width:- 35cm Depth:- 2.5cm. Please note all measurements are taken at the widest point, if you would like any additional or specific measurements please ask. A Natural History of Uncommon Birds (1743-1751) by George Edwards with...
