Description

This chair / table is in good condition. We purchased it from a dealer in Scotland who buys from a dealer in Ireland. It is a typical vernacular country chair that is stunning. Please buy with confidence. The chair would look well in any old or modern property amongst similar country furniture or in a very tiny country cottage or a small apartment. If you are tight for space it can be used for a chair or a 6 seater table for Christmas or birthday parties etc. The chair stands on square legs that are beautifully chamfered. There is a dummy drawer beneath the seat with ceramic handles. The seat is in good condition and totally worn as you would expect the paintwork to be. There are two arms. The back rest has three planks and some little round cushions that sit upon the arms. When it is in use the table can comfortably seat 6 people. The height as a chair is 189cm, the seat height is 42cm, the width is 83cm and the depth is 61cm. The height as a table is 76cm, the width is 169cm and the depth is 83cm
