Description

A magnificent, fine and impressive antique 4.76 carat diamond and 18 carat yellow gold three stone ring; part of our antique jewellery/estate jewelry collections. This magnificent, fine and impressive antique trilogy ring has been crafted in 18ct yellow gold. The pierced and scroll decorated setting displays a stunning and large central claw set 2.28ct Old European cut diamond flanked by a 1.26ct and 1.14ct Old European round cut diamond. The main setting is further embellished with four Dutch cut diamonds, set in sequence with the main gemstones. The elevated ring shoulders are ornamented with further scrolling ornamentation and meld with the plain 18ct yellow gold ring shank. This stunning diamond ring is hallmarked to the interior of the ring shank with the 18k mark (18). This impressive antique ring is supplied with three IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting stones. Such examples set with large Old European round cut diamonds of nearly 5ct, in this high quality are becoming increasingly difficult to locate; this ring is the finest of its type you can hope to acquire...
