Description

Fabulous Mason's Ironstone porcelain teapot, jug, cup & saucer in the "Vase Fence & Doves" pattern, circa 1835. Generous, bountiful and splendid proportions that became fashionable during the reign of William IV. Particularly vibrant, multi-coloured hand coloured decoration applied to the transfer - a Monday morning studio inspection paint job far removed from a Friday afternoon. Brown transfer marked MASON'S PATENT IRONSTONE CHINA. In excellent, bright, sound condition noting fleabite wear around the inside rim of the lid fitting and a tiny fleabite on the teacup as in last photo, no repair or damage. Teapot handle to spout 11,1/4" or 285mm combined / gross weight 1474 grams
