Pair of Early Flatware Caucasian Donkey Bags

Price

Sold**Item Reference: SA1140396****Date of manufacture: 1870**

Dimensions

Height = 56 cm (22.0")

Width = 44 cm (17.3")

Description

Here is a pair of collectable, 19th century saddlebags. Handwoven with natural dyes, these are a rare pair that are highly desirable amongst collectors. In very good condition, with the original backs (which are often removed or too damaged to be saved) and at an attractive price. A deep wash would significantly improve the colour. Each measures approximately 44 x 56cm or 1'5" x 1'10"
