## Description

A charming and very well made antique burr walnut tilt top occasional table. This was made in England, we would date it to around the 1880-1900 period. It is of very good quality, the top has a raised pie crust edge with stunning burr walnut grain patterns, it can be flipped up by releasing a brass catch mechanism to save space. It stands on a turned baluster column with a splayed tripod base, terminating in claw and ball feet. We have had this re-polished, the condition is excellent for its age. There is just some normal wear and patina remaining beneath the polish here and there. Width – 24 inches , 60 cm Depth – 24 inches , 60 cm Height – 27 inches , 68 cm
