Description

A good set of 6 wheelback farmhouse dining chairs with shaped elm seats and spindle backs. They all have the distinctive wheel shaped centre splat and stand on turned legs joined by H-stretchers. The set of 6 are a mix of 3+3 with slight variations on the turning in the legs but the whole set displays very well together and are all the same rich colour. The rear of 3 chairs are stamped with the maker's initials 'BR'. The chairs stand approximately 35" (89cm) high. The seats are 17 3/4" (45cm) deep, 14 1/2" (37cm) wide and 17 1/2" (44.5cm) high. They are all in good condition and are strong and sturdy with no major damages. There are signs of age and use, some marks and light knocks on the seats and around the legs and minor old shrinkage splits but nothing detrimental. There has been a small patched repair to an old chip on one seat (see photo) but otherwise no major damages. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
