| USD \$770 | EUR 659

Item Reference: SA1140724

Date of manufacture: 1900

Description

Charming pair of antique seed pearl earrings dating from the Edwardian era. Beautiful, very unusual infinity design, but with an interesting twist. Made in England c 1900, crafted in 9ct gold (chemically tested and guaranteed to be 375 fineness) and adorned with delicate dreamy seed pearls. Light, elegant, feminine, full of fluidity and charm, these earrings can lift up any outfit and look fantastic when worn. Dimensions: Length with ear wire: 35 mm Length without ear wire: 25 mm Pair weight: 2.66 grams Condition: excellent, all pearls are original and retain their colour and lustre. N.B. The listing is for the earrings only, all the other items in the photo are only used as props. The earrings will be sent to a prospective buyer in a new presentation box.
