## Description

A stunning, fine and impressive pair of vintage cultured pearl and 1.07 carat diamond, platinum and 18 carat yellow gold stud earrings; part of our diverse pearl jewellery collections. These fine and impressive vintage pearl and diamond earrings have been crafted in platinum with 18ct yellow gold fastenings. The earrings are each ornamented with a feature 10.80mm cultured pearl, set to the nadir of a claw set 0.55ct and 0.52ct transitional modern brilliant round cut diamond. These vintage pearl and diamond earrings secure to the reverse with an 18ct yellow gold post and butterfly style fastening, featuring a compression style disc allowing the earrings to have a comfortable and firm fit in situ. These pearl earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum and 18 carat gold. These earrings are supplied with two IDGL diamond grading report certificates, in addition to an IDGL gemstone grading report card for the pearls. Cultured pearl and diamond earrings are a timeless and elegant gift, ideal for anniversaries, June birthdays, graduations and weddings. Images do not always reflect the true colour...
