A stunning original Art Deco figured walnut occasional / coffee table. This was made in England, it dates from the 1930's. It is of lovely quality and has a beautiful design. The circular top is slightly serpentine in shape on the edges, with beautiful contrasting cross banding, the figured walnut grain patterns are very striking. It stands on bold legs, has a useful lower tier, it is a very practical size. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout for its age.
